Friday 12th April

Last day Term 1

Tuesday 30th April

First day Term 2

Principal's Message

Communication with school – Our department has introduced guidelines for 'switching off, for staff and community. Please read the advice contained in this newsletter. Please note that you will be responded to - usually within the next day between 8 a.m and 4 p.m. As you can imagine the school office staff receive a lot of correspondence.

Twilight sessions – Next Wednesday our staff will be completing the first of four twilight sessions over the year. These sessions are professional learning sessions to improve practice or knowledge in identified explicit areas. The focus of these sessions is Math, English and well-being for staff and students. This means at the end of the year staff will finish school on the same day as students.

Naplan – We have completed our naplan assessments for this year and the testing window has closed. Those students who needed to make up assessments have also now completed them. These results we hope will be released to the school at the start of next term. I am hopeful that we will be able to present our results, findings, trends etc. at the first P & C meeting of term 2.

AMU update – Just an update on various developments to some of our building issues. The roof repair is near completion on building C (Kindy classes and library). The hygienist has yet to send the results of post testing for mould in Building C, however I am hopeful that clearance will be given by terms end. We also had another commissioned inspection for the heritage building rooms, (stage 2 and stage 3 classes - Lemon Myrtle, Wollemi, Casuarina, Melaleuca, Boronia and the music room). We are also awaiting the hygienist report for that too, We have also identified floor work that needs to be done in 'break out' rooms (small rooms off main rooms) outside of Melaleuca and Wollemi. At the time of writing, the room outside Melaleuca has been repaired and we await repairs to the one outside Wollemi. I'd like to thank everyone for their patience whilst this extensive work has progressed as we have juggled classes, external providers, community users and band tutors. It has been a big ask of students, community, and staff but everyone has been understanding.

Carpark safety - Can I again remind people that we would rather students NOT use the carpark entrance as there is poor visibility and the environment can be very unstructured. On more than one occasion I have nearly opened the door of my car on students oblivious to the danger they are placing themselves in. I continue to press for a solution to access for our community with DoE assets department and the WHS directorate within Dept of Education.

Principal's Message

Extended Leave (school bytes) – We have now moved our Extended leave system online to school bytes. The process hopefully is now quicker and more convenient. It is a department requirement to apply for extended leave in advance, when your child will be away from school for 6 days or more.

For 5 days or less we'd like you to use the **Sentral app**. Sentral allow you to enter day to day non-attendance (sick leave or any other leave type of less than 5 days or less.)

Last week I was at a principal conference where there were several interesting guest speakers. One of the speakers that resonated with me regarded sleep. The one question that had me thinking was 'when something has to give, what is it you give up? My answer like lots of others I'd imagine was sleep. From this I learnt two things; you can't catch sleep up, the other was sleep was important for physical and cognitive repair. As such, included in this newsletter is tips to improve sleep that will in turn improve focus, productivity, and physical / mental well-being.

Have a safe Easter break and see you Tuesday April 2nd.

Urgent reminder for Year 6 Parent / Carers
Year 6-7 Transition high school online enrolment,
Year 6, 2025 will close on 4th April.

Please go to "moving to high school" web page
Apply for Year 7 placement in a NSW Government
high school and, [start expression of interest](https://year7.enrol.education.nsw.gov.au/)

Music Program

Kindergarten have had a fantastic start to the year during their weekly visits to the music room! They have been exploring percussion instruments and learning to play a variety of simple rhythms using drums, tambourines, guiros, maracas and wood blocks. We have also been singing lots of songs and learning about different instruments from around the world.

Micaela Cecire
Music Teacher & Band Co-ordinator

Sleep tip for Parents

- Make sleep a health priority and set and adhere to consistent bedtimes for yourself and your children.
- Know how your child is using electronics in the bedroom and set boundaries.
- Talk to your child about the importance of sleep for health and well-being
- Talk to your child's teacher(s) – know if your child is falling asleep in school.
- Create a sleep-support home environment and encourage quiet activities before bedtime.
- Make sure children's activities, including homework, can be completed without interfering with bedtimes.

Erko Training Band

Hi Training Band parents,

We've had a wonderful first few rehearsals so far this year. The children are all super enthusiastic and we're making great progress.

Band Concert

For our end of term band concert on April 10th, we will be playing a selection of short songs from our band book;

19. Hot Cross Buns

22. Kelpie

23. Mary had a Little Lamb

Please ensure that your child is preparing these pieces for our upcoming concert.

Practice at home

It goes without saying that without practice a child learning an instrument will stand still. In the first term practice is crucial as it's very easy to fall behind at the start of the year. Children have lots of activities during the week, but unlike a 1 hour soccer training or gymnastics session...the practice for band only needs to be 10-15 mins to start with. The amount of content they have covered doesn't require an hour of playing, and spending too long on it can induce boredom. As they learn and develop, that time spent practising will of course increase, and the child's tutor can keep you updated on how much they should be doing for the level they are at.

Lastly, it's really important that you are involved in your child's music development. You don't have to be musical at all, just sit with them occasionally when they're practising, ask them to show/play you some songs, get them to show you the new notes they learnt or what some of the musical terms mean. It helps create a sense that they're not just playing for themselves or the band, but that they're playing for you as well. Plus, showing you what they've just learnt is great for memory retention.

Thanks, Sam

Merit Assembly

This week, we would like to congratulate:

Early Stage 1: Florence, Lucas, William, Hazel, Marco and Kingston

Stage 1: Mark, Freya, William, Leila, Elise, Ambra, Florence, Kyla & Harry

Stage 2: Huxley, Tomiris, Jackson, Lily, Molly, Bella, Miles & Wynne

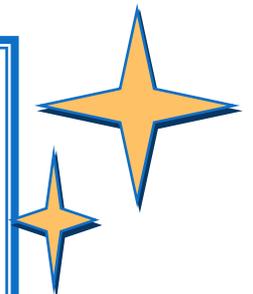

Stage 3: Aarav, Gordon, Sarah, Oscar, Hope, Julius, Maksim & Dami

Class of the Week: Bottle Brush

Student of the Week: Lily and Willa

Sports Captains: you did an amazing job

ERSKINEVILLE PS PARENTS & CITIZENS (P&C) ASSOCIATION NEWS

UPCOMING P&C MEETINGS

Upcoming meeting and notice of AGM:

Wednesday 22 May (Week 4, Term 2) in the school library. This meeting includes the 2024 AGM and our regular May meeting.

As part of the AGM, we will be voting to elect our P&C Executive for 2024. Find out more about joining the Executive by emailing us at erkopandc@gmail.com or here: <https://erkopandc.bigcartel.com/p-c-executive-nomination>

PLAYGROUND & GARDEN WORKING BEE

NEW DATE:

Sun 7 April (end of Week 10)

We had to postpone our original date due to wet weather, but we'll be going ahead on Sunday 7 April.

Our working bees are a fun and easy way for all families to contribute to our kids' school! There are lots of different projects for all abilities, including indoor tasks. No special skills required, and lunch is provided.

Kids are welcome (if accompanied by an adult) and always have a fun time making new friends and helping at their school.

We'll be prepping our citrus grove ready for winter, repairing the playground chalkboards, and helping prep the ball run for repair.

Register here if you can attend anytime from 10:00am: <https://volunteersignup.org/KQCAK>

PRE-LOVED UNIFORM CO-OP

Friday 10 May (Week 2, Term 2) 7:45-9:00am in the Courtyard outside the office.

Pick up a few extra uniform essentials:

- Pickles branded t-shirts, shorts, skorts, pants - \$7
- Pickles branded jumpers, vests - \$10
- Band shirts - \$7
- Hats - \$2
- Unbranded items - FREE!

Card/efpos only (no cash please).

If you have uniform items to donate, please drop them at the office by Thursday 9 May.

If you'd like to help sort and sell uniforms at the co-op, please contact Lauren on 0413 254 564.

STAY IN TOUCH ...

- Read our P&C update in the school newsletter every fortnight.
- Contact the P&C Executive anytime at erkopandc@gmail.com

THANK YOU FOR MAKING GREAT THINGS POSSIBLE

Earlier this month we acknowledged P&C Day, with the theme of “P&Cs make it possible”.

Here’s just some of the things made possible for all our Erko kids, thanks to ALL the parents and carers who have contributed to P&C events and activities over the past year:

- ★ Extra resources for every classroom, in every stage, as and when needed by teachers
- ★ Additional learning support time and resources
- ★ More laptops and iPads (with cases, chargers and software) to increase kids' access to digital learning
- ★ Playground equipment, outdoor furniture and landscaping - and the beautiful edible garden
- ★ Flexible funding to provide extra-curricular activities like public speaking, performing arts, excursions and incursions
- ★ Information and training sessions for parents, carers and teachers, in cyber safety, child personal development, and student wellbeing
- ★ Equity funding to support kids and families who need it

... and of course, all the fun and fabulous events that bring our school community together.

THANK YOU to everyone who has contributed to our school by contributing to our P&C.

P&C ADVOCACY

As Erko parents and carers, advocacy is another way we can contribute and collectively support our students.

At our March meeting, P&C members voted to endorse and support the P&C Federation NSW campaign for 100% funding for 100% of schools, calling on governments to fully fund all schools to 100% of the School Resource Standard (currently only 2% of schools receive the full allocation).

Learn more about this state-wide campaign for full funding and sign the petition

<https://www.pandc.org.au/full-funding-matters>

Members also voted to support improved student and community safety, by endorsing and writing letters in support of:

- A comprehensive **review of traffic and parking conditions** in the streets around Erskineville Public School to improve the safety of children, families and other community members use the footpaths, cycleways, roads and crossings around and leading to the school.
- **Ramp access from Malcolm Street** to ensure safe entry to the school for students, families and community members using bikes, strollers and mobility aids – currently the only level access is via the carpark which is unsafe.

STAY IN TOUCH ...

- Read our P&C update in the school newsletter every fortnight.
- Contact the P&C Executive anytime at erkopandc@gmail.com

Save the date: Saturday 9 November

www.erkoberzerko.com

Erko Berzerko is our famous school fair, with lots of food, stalls and fun in an old-fashioned community atmosphere. It's a wonderful opportunity for the whole school to come together and fundraise while celebrating what makes Erko great.

The fair runs all day and offers rides, entertainment, food and stalls with everything from pre-loved toys and treasures, to crafts, to plants from our school garden.

SAVE THE DATE!

We've penciled in Saturday 9 November ... pop it in your diaries! This amazing festival is so much fun it can only happen every second year, so you (and the kids!) won't want to miss it.

We won't be starting promotion of the date YET, but it's time to start planning for the biggest event on the Erskineville calendar.

FOLLOW ALONG ON SOCIAL MEDIA

It's the easiest way to get involved in all the Berzerko action!

Facebook: [@erkoberzerko](https://www.facebook.com/erkoberzerko)
Instagram: [@erkoberzerko](https://www.instagram.com/erkoberzerko)

If you haven't been to an Erko Berzerko before, scrolling through previous posts gives a taste of all the amazing things to come.

Liking and following our social media channels also shows our sponsors (and potential sponsors) how much the school and community loves Erko Berzerko and rewards them for supporting our fair.

FIND OUT MORE

Erko Berzerko showcases all the things we love about our Erko community: good food, good fun and great friends. If you have suggestions, an idea of how you could contribute, or would like to help but you're not sure how, come along to a kick-off meeting.

These meetings will be a chance to meet for a casual chat, learn more about how best school fair in the Inner West (and beyond!) comes together, and share ideas and suggestions.

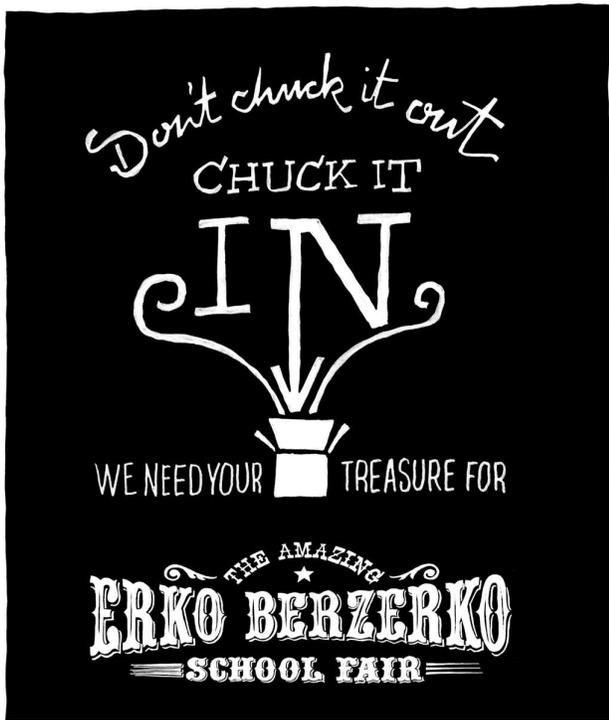

There'll be two kick-off meeting options – come along to one or both:

Zoom meeting	Monday 8 April
In-person	Tuesday 7 May

Details of the meetings (Zoom link, location, etc) will be shared ASAP – join this WhatsApp chat to be kept informed, or watch eNews for more info:

<https://chat.whatsapp.com/CAxSrleaLAA6nRTXrKrtE>

SAVE YOUR SECOND-HAND GOODIES

Start thinking about setting aside some of those top-quality items you don't use any more, ready to donate to the Erko Berzerko second-hand stalls.

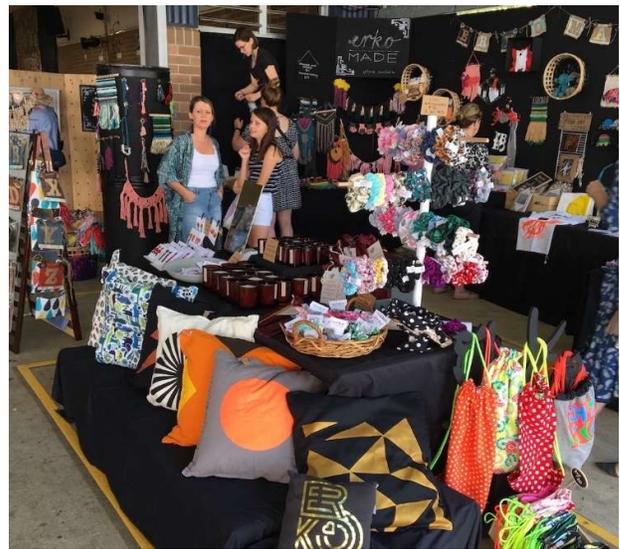

Always some of the most popular destinations at the fair, they'll be calling out for donations as we get closer to the event, so keep them in mind if you're doing a bit of decluttering around the house. Now's a great time to start thinking ahead and set aside any **good quality clean toys, books, homewares, women's fashion and jewellery** you'd like to donate.

Stay tuned for details of drop-off days closer to the big day.

ERKO MADE: BEAUTIFUL THINGS HANDMADE IN ERKO

Calling all makers & creators ... do you have a unique hobby or make handcrafted goods? The incredible Erko Made craft stall is the place for all sorts of hand-made treasures: eco items, polymer jewellery, crocheted amigurumi, Xmas decorations, Halloween dress ups ... start thinking about things you (or talented family members) might be able to create.

INTRODUCING OUR PLATINUM SPONSORS

This amazing school fair couldn't happen without the support of our wonderful local sponsors.

We are thrilled to have **Shaun Stoker and Ercan Ersan of Ray White Erskineville** on board again as our Platinum Sponsor for Erko Berzerko. They've also generously agreed to support our fundraising and events right through until 2025. A huge thank you to Shaun and fellow Erko PS parent Ercan for their incredible support.

Buddy Classes

Bottlebrush and Melaleuca buddy classes planted native plants in the bottom playground this week.

Gardening

Wednesday Afternoon - with Ms Stein (art specialist) 3.15 - 4.15pm

Would you like to come and participate in the maintaining of our beautiful garden ?

Meet at Garden shed, near the big Gates on west side of playground.

We have a grove of citrus trees, olives, avocados and pomegranates as well as 4 raised beds.

Parents and guardians need to accompany their children. It's a great chance to get close to nature, learn about plants and observe living things.

Art Materials - Call for donations , please drop at the front office in week 3 and 4

- clean and empty 250ml ,300 ml or 600ml water bottles with lids,
- newspapers (minus glossy inserts)
- 8 - 12 ply wool
- knitting needles
- clean paddle pop sticks
- cardboard boxes 10 x 10 x 6cms or similar.

Many thanks !

Ms Stein

Knitting club

Tuesday 11.30

Learn French Knitting (**BYO paper towel cylinder**) or knitting with needles.

Bring a gold coin if you're interested in taking wool and needles home once you have learnt !

SYDNEY
ACADEMY OF CHESS

Level 1 30A George St, Burwood 2134

Office: (02) 9745 1170

CHESS!!

Learn to be a chess champion! Coaching for students at Erskineville Public School is held on Thursdays from 8:00am to 9:00am, starting on 8 February 2024.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
