## Principal's Message

**Meet the teacher** – Good to see such a turn out for parent teacher meetings. This is the first of two for the year. The onus is on parents to provide background to your child to assist with our learning programs and welfare support. It is also helpful for our new staff and an effective way of gaining important information quickly.

**Naplan** - Naplan is about to begin for years 3 and 5. Reading, writing, language conventions and numeracy are the assessments students will complete here at school. If there are any enquiries you may have about this organisation (and this organisation has implications for our whole school based on how it must be administered) please call the school and you'll be forwarded to one of administrators of the test.

**Traffic survey** – Our P & C have constructed a very comprehensive survey of our traffic conditions and issues for you to complete. We are hopeful that these findings based on your input will help us come up with solutions to our traffic, parking and access issues.

**Exits** - Just a reminder that entry to the school during home time is through the front office after 3 o'clock, once the gates are closed. We request that parents who are engaged in activities with our external providers outside of Gowrie, wait outside the front entrance to the school where these community users will bring your children. In this way we are keeping everyone as safe as possible without interfering with Gowrie's activities during this time. Thank you for your understanding.

**Replies to emails** - As you can imagine we receive a lot of correspondence via phone and email. We do our best to reply to each as quickly and promptly as possible. Response time can depend on the seriousness of the matter and the backgrounding we may have to do to resolve an issue. Some issues we deal with are quite complex and some may even be ongoing in nature. One thing that is important to me is that matters are handled discreetly and with the privacy concerns of all involved. I'd like to also note that some matters are delegated to our very capable Assistant Principals who have an expertise and knowledge of the matters that are referred to us.

## Principal's Message

Kindy BBQ – Hopefully everyone enjoys the new kindy's BBQ, and everyone stays cool! This is a good opportunity to create new friendships and connections that will come in handy in years to come.

Class liaison parents - Thank you to all those parents who have volunteered their time to help all our class teachers in their administrative duties. We are unable to have everyone who has volunteered be given a role. It is also helpful if you have put your name forward that you understand how events within the school are run.

EOI for year 6-7 parents - This is open from the 3rd of March and closes on March 27. There will be an information session here in Wollemi on Wednesday March 12th.

## HIGH SCHOOL INFORMATION SESSION

**Wednesday 12 March (Week 7) from 6pm-7pm**

At this in-person info session, Dr Haynes and Ms Newnham will give an overview of different high school options available in the local area.

Then Erko parents with older kids will share some hints and tips on how they tackled the options, tours, forms and deadlines that can accompany this process.

If you have a child in Yr 4, 5 or 6, this discussion might be useful for you. Parents and carers of younger children are also welcome to attend.

To allow all parents to discuss their questions and experiences openly, **this session is intended for parents and carers only.**

If you're unable to leave students at home, space will be provided for them to wait in a nearby classroom - please ensure they have activities to occupy them while they wait.

## CALLING ALL CREATIVE PARENTS & CARERS

We're on the lookout for any parents and carers with some experience in art/craft to help plan and/or participate in a specialised working bee.

It will involve getting out the paint brushes, spray paints, scissors and tape and touching up some areas of the school that are in need of some arty, crafty, creative love.

Come join Lesley for some community spirit, music and snacks and meet other creatives in the area!

If you're keen to know more, email [erkopandc@gmail.com](mailto:erkopandc@gmail.com) and Lesley will add you to the WhatsApp group for more information.

## COMING SOON ...

**Colour Bubble Fun Run** ... lots of FUN and a little bit of FUNdraising! This event is for all students and will be held during school time.

We're in the process of confirming dates and availability of the oval. Check SchoolBytes for a permission note and the P&C website for more information soon.

## Federal Election BBQ and Cake Stall

Elections are a big event in Erko! Aside from the chance to participate in democracy, our Sausage Sizzle BBQ is legendary and the cake stall has to be seen to be believed!

If you're a keen baker, start thinking about what you could make and donate. And if you're ready for a fun day with fellow Erko parents and carers, keep an eye on SchoolBytes and the newsletter for details of how to volunteer on the day.

As soon as the date is confirmed – put it in your diary so you're ready to go!

## Erko Kids Kicking goals

Ashton represented Canterbury Touch at this year's Junior State Cup in Wagga Wagga. Since being selected in the team Ashton has been travelling twice a week to Menai for training and at state cup his Ashton and his team mates showed why they were selected.

Day 1 : 2 wins and 1 loss

Day 2 : 1 win and 1 draw

This took the team in to the quarterfinals where the boys went down 6-3 ending the tournament for them; this placed them third out of 19 teams in the southern division. A massive achievement for these boys.

# Are you an LGBTQ+ Parent?

For Rainbow Families, it's important that children who have LGBTQ+ parents have access to places where they can be comfortable, have a voice in the community and pursue their own path.

Rainbow Families formed its Youth Group in recognition of how important the voices of our young people are, and to create a safe and supportive peer network of other young people who understand.

The Youth Group accommodates younger and older youth:

- **LITTLE RAINBOWS** is open to the younger 9 -12 age group, and offers an opportunity for social connection and age appropriate activities.
- **YOUTH GROUP** is designed for 13-17 year olds. They develop projects and initiatives for young people and young adults in the community.

Each group meets twice a month over food and fun activities with our group leader and school teacher, [Geoffrey Parry-Ewing](#), in the Inner West area.
